## Joan and Isabelle

As you listen, please add notes in the two columns.

| 1           |                                 |
|-------------|---------------------------------|
| Joan of Arc | Isabelle (Joan of Arc's mother) |
|             |                                 |
|             |                                 |
|             |                                 |
|             |                                 |
|             |                                 |
|             |                                 |
|             |                                 |
|             |                                 |
|             |                                 |
|             |                                 |
|             |                                 |
|             |                                 |
|             |                                 |
|             |                                 |
|             |                                 |
|             |                                 |
|             |                                 |
|             |                                 |
|             |                                 |
|             |                                 |
|             |                                 |
|             |                                 |
|             |                                 |
|             |                                 |
|             |                                 |
|             |                                 |
|             |                                 |
|             |                                 |
|             |                                 |
|             |                                 |
|             |                                 |
|             |                                 |
|             |                                 |
|             |                                 |
|             |                                 |
|             |                                 |
|             |                                 |
